VIII Authorization to Release Medical Information

All Applicants: Please read the following information and sign in the space(s) provided on the following page.

I authorize any physician or other health care professional, hospital or other health care facility, counselor, therapist, or any other medical or medically related facility or professional who has provided any services to an *Applicant* (for purposes of Section VIII, *Applicant* is defined as me or any family member applying for or having membership in any KFHP or KPIC product) to give *Kaiser Permanente* (defined as Kaiser Foundation Health Plan, Inc., or its affiliates), its respective agents, employees, designees, or representatives, including my Kaiser Permanente agent or broker, any Applicant's *Medical Information* (defined as **any and all information or records relating to medical history, medical examinations, services rendered, or treatment given, including treatment for alcohol abuse, substance abuse, mental or emotional disorders, sexually transmitted diseases, or AIDS [acquired immune deficiency syndrome]**). However, **Medical Information does not include genetic information or psychotherapy notes (as defined by 45 C.F.R. § 164.501)**. I understand that such Medical Information may be requested and used in connection with the review, investigation, or evaluation of enrollment or of any claim for benefits after enrollment.

I authorize Kaiser Permanente to disclose to my Kaiser Permanente broker or agent the status of my application for coverage, as well as that of any Applicant on whose behalf I am executing this authorization, including whether an application was received, accepted, or rejected (except for any Applicant under the age of 19, who must be accepted under applicable law); if accepted, the effective date of coverage; and information regarding the status of bills and payments for amounts due for coverage.

I will sign new authorizations, if necessary, so that in connection with the review, investigation, or evaluation of enrollment or of any claim for benefits, Kaiser Permanente may request, use, and disclose Medical Information, AIDS-related information, and psychotherapy notes. Medical Information, once disclosed, may no longer be protected by federal privacy law and may be further disclosed. I understand that, under California law, the recipient may not lawfully further use or disclose the health information unless another authorization is obtained from me or unless such use or disclosure is specifically required or permitted by law.

(continues on page 20)

VIII Authorization to Release Medical Information *(continued)*

This authorization is effective on the date that the Applicant signs the application and will remain in effect for a period of thirty (30) months, except that it will remain in effect for use by Kaiser Permanente in connection with the review, investigation, or evaluation of any claim for benefits for an Applicant if that Applicant is still a member of any KFHP Plan or insured by KPIC. A photocopy of this authorization is as valid as the original, and I and my Kaiser Permanente agent or broker are entitled to receive a copy of this form.

I may revoke this authorization (to the extent applicable to my Medical Information) at any time prior to its expiration. However, revocation is not effective to the extent that Kaiser Permanente has already taken action in reliance on it, or for so long as Kaiser Permanente may contest my enrollment or any claim for benefits. I understand that the instructions for revoking authorizations are in Kaiser Permanente’s *Notice of Privacy Practices*.

Important: required signatures

- An Applicant age 18 and over must sign and date on the appropriate signature line.
- An Applicant age 12–17 must sign and date on the appropriate signature line. (Minors have the right to control the release of certain types of medical history and records. We require that such minors sign in addition to their parents or legal guardians.)

IX Conditions of Acceptance/Arbitration Agreement

All Applicants or legal representatives of Applicants: Please read the following information and sign in the space(s) provided on the following page.

The Applicant must fully answer each question in this application even though he or she may already be a KFHP member or a KPIC insured. If we decide to accept the Applicant for KFHP membership or issue him or her a KPIC policy, our decision will be based primarily on health information the Applicant provides in this application and during the enrollment process. If the Applicant has or has previously had coverage with KFHP or with KPIC, we will review his or her prior health history with Kaiser Permanente before making our decision. We may review his or her use of health care services for up to a year following KFHP or KPIC enrollment to confirm that his or her actual health status at the time of acceptance for enrollment qualified the Applicant for KFHP or KPIC enrollment.

This form must be completed accurately. If there is uncertainty about the answer to any question, take the time to make sure the information is accurate before submitting it to us. By signing this application, the Applicant represents that all responses are true, complete, and accurate to the best of his or her knowledge, and that if KFHP or KPIC accepts this application for coverage, the application will become part of the plan contract between the Applicant and KFHP or KPIC.

Our decision to accept the Applicant (any Applicant under the age of 19 must be accepted under applicable law) for coverage will be made only after we have thoroughly reviewed the medical history information disclosed in Section V of this application. Our review will include our reasonable efforts to verify the accuracy and completeness of the information disclosed in Section V. We are under a duty to complete this process of review and verification of Applicant health history information (medical review).

If we determine that the Applicant or someone on his or her behalf either intentionally or willfully gave us incomplete or incorrect material information about the current or past health of the Applicant (or if such intentional or willful misrepresentation of health history was made at any time during the enrollment process), and our decision to accept the enrollment was based on this misinformation, we may rescind membership. Additionally, if we determine that the Applicant or someone on his or her behalf lied about the Applicant's age or the nature of the Applicant's relationship to the person who is financially responsible for his or her coverage, and our decision to accept the Applicant's enrollment is based on this misinformation, we may rescind membership. This means that we would completely void KFHP membership or the KPIC insurance policy of the misrepresenting individual as if no coverage had ever existed. If we approve the application for coverage for the Applicant without properly completing medical review, we may only rescind coverage if we can support a claim that health history information disclosed in Section V, or material health information not disclosed, was willfully misrepresented or omitted.

Before making any decision to rescind, we would notify the Applicant in writing why we believe we have grounds to rescind his or her coverage. Our notice will tell the Applicant why we believe his or her application may be inaccurate or incomplete and invite the Applicant to provide us with additional medical or other information to help us confirm his or her actual health status at the time the Applicant was accepted for enrollment. If, after considering the Applicant's response, we decide to rescind, we will send written notice to the Applicant at least 30 days before the date we rescind his or her coverage, explaining the basis for our decision and how the Applicant can appeal it. If the coverage is lawfully rescinded, the rescinded individual may have to reimburse us for the reasonable value of any services that we provided or that we paid for on his or her behalf, if legally permitted. Please refer to the *Membership Agreement* or *Certificate of Insurance* for more information about rescission of membership in KFHP or KPIC. Within 30 days, we will refund all applicable premiums except that we may subtract any amounts the Applicant owes us.

All faxed and mailed correspondence must be signed and dated by the affected individual or someone legally authorized to act on his or her behalf.

Important note to the Applicant: You or your authorized representative may request a copy of your completed application. For more information, please call **1-800-634-4579**.

IX Conditions of Acceptance/Arbitration Agreement (continued)

Kaiser Foundation Health Plan, Inc., and Kaiser Permanente Insurance Company Arbitration Agreement

I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure, and, if I am enrolled in coverage that is subject to the ERISA claims procedure regulation [29 CFR 2560.503-1], certain benefit-related disputes)¹ any dispute between myself, my heirs, relatives, or other associated parties on the one hand and Kaiser Foundation Health Plan, Inc. (KFHP), Kaiser Permanente Insurance Company (KPIC), any contracted health care providers, administrators, or other associated parties on the other hand, for alleged violation of any duty arising out of or related to membership in KFHP or coverage by KPIC, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings.¹ I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the *Membership Agreement* and in the *Certificate of Insurance*.

¹Disputes arising from any of the following KPIC products are not subject to binding arbitration: 1) KPIC Dental Plans.

X HIPAA Eligibility Requirements and Enrollment Information

The Applicant may be eligible for Kaiser Permanente individual coverage without medical review. HIPAA (the Health Insurance Portability and Accountability Act of 1996) is a law that guarantees individuals health coverage without medical review if they meet the five requirements listed below.

If the Applicant does not pass medical review for KFHP Individuals and Families plan coverage or KPIC insurance coverage but meets all of the five requirements listed below, the Applicant is guaranteed coverage in the Kaiser Permanente HIPAA plan that has benefits most like the plan for which the Applicant applied. If eligible, this document is the Applicant's offer of guaranteed enrollment in the applicable Kaiser Permanente HIPAA plan.

Note: We will enroll the Applicant in the applicable Kaiser Permanente HIPAA plan only if he or she meets HIPAA eligibility requirements and only if the application is declined. If the Applicant qualifies for HIPAA coverage and applied for and qualifies for KFHP coverage, we will enroll him or her in the KFHP plan. If the Applicant qualifies for HIPAA coverage and applied and qualifies for KPIC coverage, we will enroll him or her in the KPIC plan. For information about HIPAA eligibility, plan benefits, and rates, or to request a copy of a *Membership Agreement*, please call **1-800-634-4579**.

Requirements

Please read the requirements for HIPAA eligibility. All five statements must be true for the Applicant to enroll in a HIPAA plan.

1. I have at least 18 months of creditable coverage without a break in coverage of more than 63 days at any time.
Creditable coverage means continuous health coverage during the qualifying 18-month period immediately preceding this application for enrollment. If there have been multiple coverages during that qualifying period and/or a combination of individual and group coverage, a) there can be a break of no more than 63 days between coverages, and b) the final coverage must have been group coverage. For more information about the types of health coverage that may qualify for creditable coverage, please refer to the *Membership Agreement*, or call us at the information number listed above.
2. My most recent health coverage was through a group health plan, a governmental plan, or a church plan.
3. If I was eligible for continuation of coverage under federal (COBRA) or state (Cal-COBRA) laws, I enrolled in any available continuation coverage and paid all applicable premiums for the entire period for which I was eligible.
4. I do not currently have other health coverage, and I am not eligible for coverage under any group health plan, governmental plan, church plan, state-administered Medicaid program, or Medicare.
5. My most recent coverage was not terminated for fraud or failure to pay premiums.

If all five statements above are true, the Applicant is eligible for HIPAA coverage.
