Pharmacy Directory

For more information, please contact Blue Shield Medicare Enhanced Plan and Blue Shield Medicare Basic Plan Member Services, at **(888) 239-6469** or, for TTY users, **(888) 239-6482**, 7 a.m. to 8 p.m., seven days a week, from October 1 through February 14. After February 14, your call will be answered by our automated phone system on weekends and holidays, or visit **blueshieldca.com/med_pharmacy**. This Pharmacy Directory was updated on 10/01/2013.

Introduction

This booklet provides a list of Blue Shield Medicare Enhanced Plan and Blue Shield Medicare Basic Plan network pharmacies.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and the Blue Shield Medicare Enhanced Plan and Blue Shield Medicare Basic Plan formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Shield Medicare Enhanced Plan and Blue Shield Medicare Basic Plan only if they are filled at a network pharmacy or through our mail service pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 1, 2013. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs may be less at certain pharmacies in this list, which we have marked with a “P”. We call these pharmacies preferred pharmacies, and they may offer lower cost-sharing than other pharmacies. You may still receive an extended supply of drugs at other network pharmacies; however, you may not receive the discount price.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Shield Medicare Enhanced Plan and Blue Shield Medicare Basic Plan.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under a Blue Shield Medicare prescription drug plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Blue Shield of California has a process in place to assist you in obtaining prescription drugs when you are in a long-term care (LTC) facility. If you are in an LTC facility and are prescribed a non-formulary drug, we will authorize a one-time, 31-day supply of the medication prescribed for transition purposes.

If you are on a complicated medication regimen, or a regimen where safety concerns do not permit you to be transitioned sooner, up to a 6-month transitional period will be allowed. This transition period will also be allowed for patients with multiple medications and with multiple physicians providing care.

For more information, please call Member Services at **(888) 239-6469**. TTY users should call **(888) 239-6482**.
