INTRODUCTION TO SUMMARY OF BENEFITS

Thank you for your interest in Health Net Orange. Our plan is offered by HEALTH NET LIFE INSURANCE COMPANY/HEALTH NET INSURANCE OF NEW YORK/Health Net, a Medicare Prescription Drug Plan that contracts with the Federal government. This Summary of Benefits tells you some features of our plan. It doesn't list every drug we cover, every limitation, or exclusion. To get a complete list of our benefits, please call Health Net Orange and ask for the "Evidence of Coverage."

YOU HAVE CHOICES IN YOUR MEDICARE PRESCRIPTION DRUG COVERAGE

As a Medicare beneficiary, you can choose from different Medicare prescription drug coverage options. One option is to get prescription drug coverage through a Medicare Prescription Drug Plan, like Health Net Orange. Another option is to get your prescription drug coverage through a Medicare Advantage Plan that offers prescription drug coverage. You make the choice.

HOW CAN I COMPARE MY OPTIONS?

The charts in this booklet list some important drug benefits. You can use this Summary of Benefits to compare the benefits offered by Health Net Orange to the benefits offered by other Medicare Prescription Drug Plans or Medicare Advantage Plans with prescription drug coverage.

WHERE IS HEALTH NET ORANGE AVAILABLE?

The service area for this plan includes: Texas. You must live in one of these areas to join this plan. There is more than one plan listed in this Summary of Benefits. If you are enrolled in one plan and wish to switch to another plan, you may do so only during certain times of the year. Please call Customer Service for more information.

WHO IS ELIGIBLE TO JOIN?

You can join this plan if you are entitled to Medicare Part A and/or enrolled in Medicare Part B and live in the service area. Eligible individuals may only enroll in one Medicare Prescription Drug Plan at a time and may not be enrolled in a Medicare Advantage Plan (HMO, PPO), unless they are a member of Medicare Private Fee-For-Services plan or are enrolled in an 1876 Cost Plan.

DOES MY PLAN COVER MEDICARE PART B OR PART D DRUGS?

Health Net Orange does not cover drugs that are covered under Medicare Part B as prescribed and dispensed. Generally, we only cover drugs, vaccines, biological products and medical supplies that are covered under the Medicare Prescription Drug Benefit (Part D) and that are on our formulary.

WHERE CAN I GET MY PRESCRIPTIONS?

Health Net Orange has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We will not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

Health Net Orange has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower co-pay or co-insurance. A non-preferred pharmacy is still a network pharmacy, but you may have to pay more for your prescription drugs.

The pharmacies in our network can change at any time. You can ask for a Pharmacy Directory or visit us at <https://www.healthnet.com/formulary.htm>. Our customer service number is listed at the end of this introduction.

WHAT IS A PRESCRIPTION DRUG FORMULARY?

Health Net Orange uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at <https://www.healthnet.com/formulary.htm>.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

WHAT SHOULD I DO IF I HAVE OTHER INSURANCE IN ADDITION TO MEDICARE?

If you have a Medigap (Medicare Supplement) policy that includes prescription drug coverage, you must contact your Medigap Issuer to let them know that you have joined a Medicare Prescription Drug Plan. If you decide to keep your current Medigap supplement policy, your Medigap Issuer will remove the prescription drug coverage portion of your policy. This will occur as of the effective date of your coverage in the Medicare Prescription Drug Plan and they will adjust your premium. Call your Medigap Issuer for details.

If you or your spouse has, or is able to get, employer group coverage, you should talk to your employer to find out how your benefits will be affected if you join Health Net Orange. Get this information before you decide to enroll in this plan.

HOW CAN I GET HELP WITH MY DRUG PLAN COSTS?

If you qualify for extra help with your Medicare prescription drug plan costs, your premium and costs at the pharmacy will be lower. When you join Health Net Orange, Medicare will tell us how much extra help you are getting. Then we will let you know the amount you will pay. If you are not getting this extra help you can see if you qualify by calling 1-800-MEDICARE (1-800-633-4227). TTY/TTD users should call 1-877-486-2048.

WHAT ARE MY PROTECTIONS IN THIS PLAN?

All Medicare Prescription Drug Plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year. Even if a Medicare Prescription Drug Plan leaves the program, you will not lose Medicare prescription drug coverage. If a plan decides not to continue, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Health Net Orange, you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy.

Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug.

WHAT IS A MEDICATION THERAPY MANAGEMENT (MTM) PROGRAM?

A Medication Therapy Management (MTM) Program is a free service we may offer. You may be invited to participate in a program designed for your specific health and pharmacy needs. You may decide not to participate but it is recommended that you take full advantage of this covered service if you are selected. Contact Health Net Orange for more details.
