2. Add the Health Account Allocation,* which can be found at the top of the **1 Member** rate chart

Want to enroll 2 members?

1. Look at the top of the rate tables to find the area you live in
2. Find the rate for the remaining member based on their age
3. Total the rates for all members
4. Add the Health Account Allocation*, which can be found at the top of the **2 Members** rate chart

Want to enroll 3 or more members?

1. Look at the top of the rate tables to find the area you live in
2. Find the rate for the remaining members based on their age(s)
3. Total the rates for all members
4. Add the Health Account Allocation*, which can be found at the top of the **3+ Members** rate chart

Note: Only the three youngest children will be billed. There is no premium charge for additional children

* The Health Account Allocation is the amount a consumer contributes towards their Health Incentive Account, which the plan also contributes to. The unused portion of the combined contribution then carries over from year to year. This gives the consumer access to these funds as long as they are a member of the Lumenos HIA Plus plan.
