How to Calculate Your Monthly Rates

Start: Find the Medical Rating Area you live in (at the top of the rate table)

Want to enroll 1 member?

1. Under the age column, locate your age (or your child's age) to find the rate

Want to enroll 2 members?

1. Look at the top of the rate tables to find the area you live in
2. Find the rate for the remaining members based on their age(s)
3. Total the rates for all members

Want to enroll 3 or more members?

1. Look at the top of the rate tables to find the area you live in
2. Find the rate for the remaining members based on their age(s)
3. Total the rates for all members

Note: Only the three youngest children will be billed.
There is no premium charge for additional children.
